

B027 B029 JarGrip Series

Century's JarGrip Series is specially designed for jarred candles. The design allows customers to open the lid and experience the product that is inside. It upgrades the shopping experience while guaranteeing loss prevention of jarred products.

"The innovative loss prevention solution for candles"

JarGrip-S

JarGrip-M

High security with open top design

Application:

Applicable for jarred candles or other cylindrical jars(or cans) with a size that fits the JarGrip series, such as some coffee jars, honey jars, etc.

Features

- ▲ **EXCELLENT CUSTOMER EXPERIENCE WITH OPEN TOP DESIGN**
- ▲ Allows customers to open the lid and experience or smell the products
- ▲ **OPEN DISPLAY**
- ▲ Good visibility of product information and packaging
- ▲ **FAST AND EASY APPLICATION AND REMOVAL**
- ▲ **TWO OPTIONS FOR CANDLES OR JAR PROTECTION**
