

POWERLOC SYSTEM

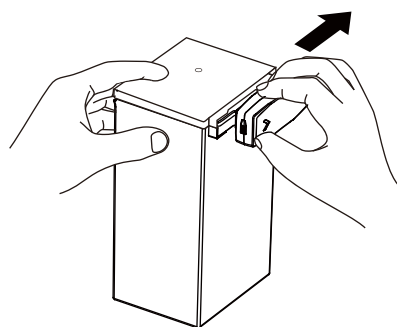

POWERLOC is perfectly compatible with the majority of Safers⁽¹⁾ in Century's extensive range of Safer products. POWERLOC protects merchandise with an electronic locking system and a unique code. Century adds in this way to the conventional way of safeguarding goods with Safers that offer the highest security level for the retail merchandise.

(1) For further info on compatible safers please contact our sales support.

New

(Pictures for reference only)

Features

- ▲ **HIGH SECURITY WITH A UNIQUE CODE**
Automatically erases the code if POWERLOC is stolen
- ▲ **EASY TO APPLY**
Set the code to protect your merchandise within a few seconds
- ▲ **REPLACEABLE AND RECYCLABLE**
Upgrade your existing Century's Safers with POWERLOC electronic locking lips
