

MUSSEL TAG T721/C

Pinless Alarming Tag

Mussel tag (T721/C), a pinless alarming tag with compact design, providing multi alarming 2 Alarms or 3 Alarms modes and in two optional technologies such as AM or RF. It easily clips to the merchandise to smartly stop losses caused by shoplifters. Without a pin nor a lanyard, no marks left on the protected article after removal. Mussel tag is widely used to protect bags, shoes, garments, and offering an ideal solution for retailers.

Patent No. ZL 201320240793.5
